1	21/3/2022	Workshop with participants from NGO and Immigrant association. Urbana	15	We will visit Urbana Invadrarförening in Kristianstad. We will present our project and its purpose. Together with the immigrants, we will have discussions about how they perceive Sweden and how they have been received in their new country. How they experience equality and equal values and how they felt in their home country.
2	15/4/2022	Workshop with participants from NGO and Young people from the disability association. Unga Funkisar	15	We will visit the Young Disabled Association in Kristianstad. We will present our project and its purpose. Together with the members, we want discussions about how they perceive their situation in society and whether they are respected by others despite their disability. And what the labor market looks like for them.
3	18/4/2022	Workshop with participants from NGO and Female young people who have been exposed to violence or discrimination. Tjej jouren	15	This visit will be at the Girls' Shelter in Kristianstad. This emergency is under the same roof as the women's shelter in Kristianstad. The girls' shelter is aimed at young vulnerable female young people. We will have a dialogue with the social workers and get a background about the girls' shelter and how they work with these young women.
