Improving the competencies of NGO educators for social inclusion

**Summary of survey and local workshop
of NGO on creating innovative courses for disadvantage groups in Italy**

02-03/03/2023, Florence, Italy

Partner organization: Coordinamento Toscano Marginalità

AGENDA

The content of this local workshop is aimed at increasing knowledge and information about innovative courses for disadvantage people starting from the experience of peer supporters training course. We discussed during the workshop the capacity of network organizations to promote the role of peer supporter and to organize specific training courses on peer supporters.
