- **mission is to increase the number, capacity and societal impact of social enterprises in Estonia;**
- **helping to grow companies that create positive impact in the world;**
- **54 members;**
- **15 partners focusing on positive impact;**
- **650 students participate in programs;**
- **<https://sev.ee/en/front-page/>**

Estonian Social Enterprise Network:

- We work as an incubator and give continuous advice in terms of business model as well as product and service development.
- We help amplify the work of social enterprises through our marketing channels.
- We participate in developing a suitable investment compartment.

WE BRING THE NETWORK TOGETHER

- We've created Maailmamuutjad.ee web platform through which social enterprises can set clear goals, evaluate them and announce its achievements.
- We work with [Social Innovation Lab](#) and
- [NULA Inkubator.](#)

Changemakers Academy

- It is flagship youth program
